ent Ward Denies Report That

New York, May 28.—The stock market drifted along in idle and futile fashion again today. Various factors, such as the Mexican situation, the outcome of Missouri Pacific's entanglements, crops, railroad carnings and foreign conditions, were under review, but failed to exercise more than passing influence. In the latter part of the session President Wilson's address to the Illinois manufacturers, wherein he avowed his intention to earry out his anti-trust programme, caused some slight reaction, but net changes in the more important issues, United States Steel excepted, 'were hardly noteworthy. In the special group the movement was distinctly irregular, General Motors losing much of its recent gain, while some less active issues of the same class made fair advances, Wells-Fargo gaining five points.

Although the various foreign markets reported improved conditions, London was a seller of our securities at home and in this market. Trust-worthy advices from Paris pointed to a clarification of financial conditions at that center, coincident, however, with the failure of a bank having important mining and industrial connections. hits and scored seven strikeouts to his credit.

At no stage in the game did the Putnam boys become dangerous. They scored their-two tallies in the fourth after Fuiler walked and scored on Sherrys' long single. Nelson fanned, Allard made a long drive to left center, scoring Sherry. Maker and Lavine proved to be easy outs.

In the first inning the Academy boys almost batted around, scoring four runs on three hits and an error. Captain Stanley reached first on an error and was advanced to third on J. Hull's hit and scored on Murray's fly to center. Young was hit by a pitched ball and with hits by S. Crowe and Mullen four runs were scored.

Tour runs were scored.

When Murray took the mound he had a whole new infield behind him, Crowe taking first, J. Hull second, Mullen short and Captain Stanley Mullen short and Captain Stanley third.

Although Blackmore was hit hard, he had the opposing batters guessing at times, tanning II of them.

Manager Leahy has added one of the biggest attractions of the season when the soldiers of Fort Wright will play the boys on the campus Saturday. They have a fast team and will bring along a large bunch of rooters, and people that have witnessed a game where soldiers have been the rooters know the fun that they make. The All Stars played this team in the early part of the season, and they claim that the soldiers' pitcher is the speedlest that they over batted against.

NICKALLS HAS NOT

RESIGNED AS COACH Says Story is Fake-Will Go to Galar

Guy Nickails, the English crew coach, took charge of the varsity rowing squad for the first time since the Yale-Cornell race at Ithaca last Saturday. He branded the story that he had resigned as "an infamous lie," said that he would go with the Yale oarsmen to Gales Ferry and believed that they would make an excellent showing against Harvard. He said: "Of course there would be talk because of Yale's defeat by Cornell and Princeton, but I have high hopes that Yale will defeat Harvard next month on the Thames,

I suppose he would have resigned had he been asked to retire."

It is known that differences of opinion in matters of stroke and boat rigging have arisen among the Yale crew coaches and rowing committee members, and that the rowing committee, Nickalls, Captain Denegre of the crew and two or three prominent alumni have been in session in New York city since Saturday over the situation. When Nickails did not return to take charge of the crew yesterday afternoon a report was cur-

Haven, which had arranged a banquet in honor of the crew, to express graduate sentiment before the oarsmen departed for Gales Ferry, have cancelled the banquet plans. Coaches Nickalls and Armstrong were to have spoken at the banquet.

Contrary to expectations Coach Guy Nickalls made no changes in either of the Yale varsity crews this afternoon.
